

Mike Neill, President – North America, Petrotechnics – Bio

Mike Neill is the President of Petrotechnics USA where he is responsible for scaling the company's growth in the Americas and manages the company's global Training & Coaching organization. He joined the company in 1994 and has been instrumental in company growth from its early beginnings to a fully established global organization.

Prior to joining Petrotechnics, Mike spent most of his career as a Petroleum Engineer working for BP Upstream Operations in many locations including Aberdeen, Norway, London and Egypt.

Mike holds a BSc in Mechanical Engineering and a MSc in Petroleum Engineering from Imperial College of Science and Technology at the University of London and an MBA in Strategic Management from the Peter F. Ducker Graduate Management Centre, Claremont Graduate School in California. Mike is an active member of CCPS, AIChE and ASSE.
