

DIRECTOR'S CORNER

We, at the Mary Kay O'Connor Process Safety Center appreciate the support and assistance given to us by various organizations and individuals. This support comes in many forms, without which many of the activities of the Center would not be possible.

left to right: Dr. Sam Mannan, Dr. Ray Anthony and Mr. Ed Bellow

A major part of the support for various programs and activities of the Center comes from annual membership dues. Organizations can become members of the Center at the Advisor, Partner, or Sponsor level. Small business and individual memberships are also available. Details about membership benefits, membership criteria, and annual dues are available on request.

The Center recently welcomed Mobil Corporation as one of the supporting members. Ed Bellow, '63 of Mobil Corporation presented Dr. Ray Anthony, Chemical Engineering Department Head and Dr. Sam Mannan, Director of the Mary Kay O'Connor Process Safety Center, with a check representing 1998 membership dues.
