Circle Safety & Health Consultants
TSA Project
Occupational Safety & Health Specialist – Entry-Level

Circle Safety & Health Consultants, LLC (www.circlesafety.com) is seeking one entry-level professional in the South Central region (UT, CO, KS, MO, OK, TX, NM, AZ). This announcement is dated October 25, 2010.

Candidate will provide safety and health consulting services to a federal agency. Candidate will manage safety or occupational health program elements. Specific tasks could include (1) developing or implementing programs to reduce the frequency, severity, and cost of accidents and occupational illnesses; (2) applying safety and occupational health laws, regulations, principles, theories, practices, and procedures to advise on or resolve technical matters dealing with occupational safety and health requirements; (3) inspecting or surveying workplaces, processes, products, or other systems for compliance with established safety and occupational health policies or standards and to identify potential new hazards; (4) designing or modifying workplaces, processes, products, or other systems to control or eliminate hazards; and (5) training of workers, supervisors, managers, or other safety and occupational health personnel in safety or occupational health subjects.

Candidate must have an undergraduate degree in a technical, scientific, or engineering discipline. Candidate must also have one to two years or more of related experience and knowledge of federal, state, and local safety legislation as they apply to industrial organizations. Excellent oral and written communication skills are required, as is the ability to work independently.

Candidate must be a US citizen, and able to pass a rigorous background check and federal security clearance by TSA. This position is assigned to the project’s SC region. The region’s main office is located in Dallas/Fort Worth area. The candidate will work from a home-based office within the region. Occasional travel is required. Annual salary will fall within the Grade 6 - 7 Base General Schedule pay scale based upon experience. (see http://www.opm.gov/oca/08tables/pdf/gs.pdf).

If interested, please submit a cover letter with your resume, salary history and a writing sample by email to:
