

REQUIRED COURSES	PDHs	Price
DISTANCE LEARNING – can only take once		
SENG 655 – Process Safety Engineering	42	\$1800*
SENG 660 – Quantitative Risk Analysis	42	\$1800*
APPROVED ADDITIONAL COURSES	PDHs	Price
HELD AT MKOPSC (in College Station, TX) – can take up to 3 times		
International Symposium	15.25	\$995
Engineering Ethics (Onsite at Symposium only)	1	\$75
DISTANCE LEARNING – can only take once		
SENG 680 – Industrial Hygiene Engineering	42	\$1800*
SENG 674 – System Safety Engineering	42	\$1800*
SENG 670 – Industrial Safety Engineering	42	\$1800*
SENG 677 - Fire Protection Engineering	42	\$1800*
ONSITE CLASSROOM (in Houston, TX) – can take up to 3 times		
Best Practices - - Pressure Relief Systems	14	\$990
Layers of Protection Analysis	14	\$990
Process Hazard Analysis Leadership Training	14	\$990
Reliability Centered Maintenance	14	\$990
SIL Verification	14	\$990
SIS Implementation	21	\$1485
Auditing your SHE Management System	14	\$990
Management of Change	7	\$495
PSM Compliance Audits	14	\$990
A Systematic Assessment of Reactive Chemical Hazards	14	\$990

Prices are subject to change *International participant cost is \$3000
